AR ART EXHIBITION ON-DEMAND

Women In [AR]T

SUMMARY

WOMEN IN [AR]T

A show highlighting some incredible women artists and animators.

There is something really special about bringing digital artwork into a physical and intimate space. As both a painter and animator, the artist is able to combine all of the artistic passions into one medium. Animation rarely has a place in gallery shows, but Augmented Reality technology is truly opening the door to endless possibilities for multi-disciplinary artists.
